### NOTE

The Majority of the equipment in this auction is from Boichot Concrete Corporation. However, others have consigned equipment to this sale. Available service and maintenance records for the Mixer Trucks will be open for inspection on the site. Contact Mr. Steve J. Boichot, President of Boichot Concrete Corporation, regarding questions concerning their Mixer Trucks and other company related equipment. Contact Kip Williams of United Auctioneers & Appraisers regarding overall questions you may have.

Boichot Concrete Corporation began operations in 1939. This fourth generation business supplied high quality transit-mix and related concrete products to the Lansing area and surrounding communities. The company has always prided itself in maintaining its equipment to the highest standards and providing top-notch, first class products to its customers. The company officers have decided to offer for sale their entire fleet of trucks and equipment at this auction. If you are considering stepping into, or adding to your current front discharge mixer fleet, then you will not want to miss this auction.

### NOTICE TO NON-U.S. BUYERS

All purchasers without U.S. Bank accounts are required to pay in U.S. funds by wire transfer from their bank. Equipment may need to be modified to meet import regulations. Contact your customs broker.
